# Corporate presentation

**Who  
we are**

## WHO WE ARE

## Amaris is an independent and international group

structured like a global ecosystem of companies, providing to its customers an endless range of services to help them run their operations, boost their innovation capabilities or more largely add value to their businesses in a flexible, scalable way.

### Our global ecosystem of companies:

Amaris companies are connected and operating on a unique business & operating model deployed worldwide

### Endless range of services:

A large portfolio of services for all stakeholders companies

### Run their operations, ... boost their innovation... add value to their businesses:

From earlier innovation to conceptualization up to business running, we are intervening at each step of project lifecycle

### In a flexible and scalable way:

Capable to adapt to customers expectation

# Key figures

The image features a hand holding a white pen, pointing at a business chart. The chart includes a bar graph, a line graph, and a target icon. The text 'Key figures' is prominently displayed in white on an orange background. The background also shows a calendar at the top and various business-related terms like 'Management', 'Success', 'Idea', 'Analysis', 'Marketing', 'Solution', 'Branding', and 'Innovation'.

## Customized Career Development

The objective of our HR Development Department is to give visibility to all **our people** on their career development opportunities and their long term perspectives within our company. The department helps the matching of workforce planning and employees expectations.

## Skills Development

Our training department creates training programs **adapted** to each function and each career development, including cultural specificities to expand our people skills at local and global levels.

## International Career

Help our people to build better international career.

Relocating them in one of our 60 offices is a key service we want to enhance to develop our businesses as well as our people

## Amaris Belonging

Creating a sense of global **community** by fostering links between our employees worldwide has been one of our axis of development in 2016. We now purpose on building inspiring moments for all employees across all subsidiaries
